ASX Release

Appendix 4C – Quarterly cash flow report

Aquis Entertainment Limited ACN 147 411 881 (**Aquis** or the **Company**) (ASX: AQS) attaches the Appendix 4C Quarterly cash flow report for the quarter 1 April 2021 to 30 June 2021.

Business activities

Aquis' ordinary business activities are the operation of Casino Canberra, incorporating Natural Nine restaurant.

The business incorporates the required Federal and ACT Government mandated Covid implementations as part of our Covid safety measures.

Despite continuing operational restrictions due to Covid-19 in relation to venue capacity and operations, as well as reductions to visitation due to travel restrictions particularly in New South Wales and Victoria, business revenues remain strong for the quarter and net operating cash flow is positive.

During the quarter, the business consulted with the ACT Government to ease part of its Covid-19 safety measures. These changes include opening all multigame terminals and allowing 5 seated players per table (increased from 3) whilst still maintaining a 1 person per 2 square metre capacity limit.

There were no other substantive business activities during the quarter.

Expenditure

Total expenditure during the quarter on business activities totalled \$6.357m which includes \$4.112m in payroll expenses and \$2.245m in other operating expenses.

Related party transactions

Total payments made to related parties included in the above expenditure, during the quarter was \$199,000.

This expenditure was for non-executive director's fees to Mr Alex Chow and Mr Russell Shields, as well as the CEO/executive director's salary to Ms Allison Gallagher.

Due to continuing strong cash flows, further repayments of borrowings were made to the company's financier totalling \$1m during the quarter.

No other related party transactions occurred during the quarter.
