10 April 2017

Trading Update – March 2017

The Board of Aquis Entertainment Limited (ASX: AQS) is pleased to announce that volume at Casino Canberra for the month of March was the highest in over 10 years of operation. This result is an early indicator of the success of the targeted Marketing programs currently being rolled out.

Despite this significant increase in business activity, extreme volatility resulted in lower revenue, with actual GGR for the month reaching \$1,217,612, 37% lower than February 2017 actual GGR (\$1,937,027) and 14% lower than March 2016 actual GGR (\$1,410,924).

Gaming department expenses for the month remained in line with expectations.

Appointment of Company Secretary

The Board of Aquis Entertainment Limited is pleased to announce the appointment of Louise Sheppard as Company Secretary, following the resignation of Mr Garry Gill previously reported in January 2017. Louise is a highly regarded Corporate Governance practitioner of Company Matters, an experienced independent company secretarial firm. The appointment is effective 11 April 2017.
