

Trading Update – Casino Canberra – June 2016

8 July 2016

The Board of Aquis Entertainment Limited (ASX: AQS) is pleased to announce that the Company's Casino Canberra property has seen increased levels of visitation and revenue following the opening of the refurbished main gaming floor on 9 June 2016. Visitation during the month of June 2016 was up 81% from May 2016 and since the reopening, visitation is up 25% on the corresponding period in June 2015. The notable level of attendance and interest from the VIP segment was a particularly pleasing outcome.

Actual Gross Gaming Revenue (GGR) for June 2016 reached \$2,257,012, 44% higher than May 2016 actual GGR (\$1,562,749) and 48% higher than June 2015 actual GGR (\$1,525,382). Gaming department expenses were up on prior months as a result of the move to the larger facility and increased activity, but remained well within expectations.
