

## Trading Update – Casino Canberra – August 2015

### 9 September 2015

The Board of Aquis Entertainment Limited (ASX: AQS) is focussed on initiatives related to growing the Company's market share, and increasing revenue through its subsidiaries.

The Company can advise that trading conditions at its Casino Canberra property have improved as follows:

- Gross Gaming Revenue of \$1,984,000 for the full month of August 2015<sup>1</sup>:
  - o An increase of 5.8% from \$1,875,000 in July 2015
  - o An increase of 53.8% from \$1,290,000 in August 2014

The board acknowledges that such initiatives cannot be implemented without increased cost and will not immediately be reflected in profitability for the Casino Canberra business.

It is accepted that in time, a well-managed, growing business with increasing revenue will become a strong asset to the Company.

To ensure the market is regularly updated the Board intends to make publicly available at the end of each month specific updates regarding gross gaming revenue.

Additionally, disclosure of financial results for the Company will be announced on a quarterly basis commencing at the end of September.
