

Trading Update – Casino Canberra – November 2016

9 December 2016

The Board of Aquis Entertainment Limited (ASX: AQS) is pleased to announce that business activity levels at the Company's Casino Canberra property were again strong during the month of November. This heightened activity did not translate into increased revenue, with actual Gross Gaming Revenue for November 2016 being \$2,047,711, 4% below the October 2016 result of \$2,145,130, and 7% below the November 2015 result of \$2,194,848. The prior year result had benefitted from an exceptional hold rate which was significantly higher than the long term average.

Gaming department expenses remain in line with expectations.
