

Trading Update – Casino Canberra – September 2016

10 October 2016

The Board of Aquis Entertainment Limited (AQS) is pleased to announce that gaming revenue at its recently refurbished Casino Canberra property was again strong for the month of September 2016 at \$2,403,877.

This result was 22.7% higher than the \$1,958,714 achieved in September 2015 and compares favourably with the August 2016 result of \$2,429,668.

Gaming department expenses remain in line with expectations.
